The following symbol is used on some policies:

- ** As used in this policy, the term parent includes legal guardian or person in a parental relationship. The status and duties of a legal guardian are defined in ORS 125.005 (4) and 125.300 - 125.325. The determination of whether an individual is acting in a parental relationship, for purposes of determining residency, depends on the evaluation of the factors listed in ORS 419B.373. The determination for other purposes depends on evaluation of those factors and a power of attorney executed pursuant to ORS 109.056. For special education students, parent also includes a surrogate parent, an adult student to whom rights have transferred and foster parent as defined in OAR 581-015-0005 (18).
