

Culver Middle and High School Integrated 6 Staff Responses

Middle School:

Communication-

Positives:

Letters Home
Calling Home for F List
Teachers Respond to emails quickly
Parent/Teacher Conference Options - 1
Blackboard
Remind App for Sports
IEP Meeting Communication

Areas of Improvement:

Conferences in the spring
Each teacher needs a syllabus
Facebook pages for each school
Update or change website—CMS only website-1
Update Handbook
More Staff Meetings rather than a need to know basis

Safety-

Positives:

Drills-Safety-1
Establish Relationships to All
Key Cards-1
Lockdown Program
Hallway Monitoring by Staff
Getting to know students
Clear Expectations

Areas of Improvement:

Should Arm Staff
Fences around property-1

High School:

Communication:

Positives:

Powerschool-2
Appropriate quickness w/ email replies
Reportcards
Blackboards-2
Homework club
Google classroom is solid
Conferences-1
Open Door Policy by Staff
Handbook

Receptive parents to calls home
Use of google calendar
delay/closure notification always come through

Areas of Improvement:

Educate parents on how to use what we have already
Powerschool + google classroom connect together
Powerschool Updated (Big Ideas)-1
Programs linking + interfacing
Facebook
Low Conference Attendance
Phone Contact
Transparency
Budget-Grow your own \$
Discipline-Reasons when students are in trouble

SAFETY

Positives:

Appropriate PPE is available
Doing grade check-ups with struggling students
Generally safety is not a concern for students-1
Badges & Buzzers (safety system)-2
Knowing our kids-1
Growing engagement
Exterior doors locked all the time-1
Clean and Organized

Snow and Ice is maintained

Areas of Improvement:

Doors left open
Kids going about willy nilly unsupervised
Constant adult supervision in office
Crack down on verbal bullying
Unlocked interior doors
Verbal Toxicity
Accountability
Back door access is bad-1
Parking lot monitoring
Police Presence
Training for an intruder drill
Secure the school more
Propping doors open should end

ACADEMIC

Positives:

Promoting Trade school and college

Making academic goals
Homework club-2
RTI and pre/post data-3
Not a lot of kids following through the cracks
College week was great
Athletic probation list is clear
Students aware of Post HS options
Diverse course option (with small school size)
Mick is a hero
AP numbers are up
F-List is lower
Voluntary participation in HW Club + seeking help-1
Kids are aware of their graduation status
Kids having access to powerschool

NEW EA spots being filled

Negative:

Some sort of attendance incentive
More efficient effective forecasting process
Tardies stronger consequences and accountability
Lack of both intrinsic and extrinsic academic motivation
Not holding athletes accountable
Parents not motivating their kids
No life skill classes
More Rigor
Scheduling
Absences
Let Students Fail-they should have consequences
Hold Students accountable
