The Board authorizes the Superintendent to dispose of all outmoded, obsolete, surplus, unwanted, and/or excessively damaged equipment and supplies owned by the district by resolution.

Sales of such items shall be conducted as needed. Any equipment or supplies having a unit value of \$500 or more will be sold by means of sealed bid process. If public sales fail to produce any interested buyers or bidders, such remaining unsold materials may then, at the discretion of the Superintendent, be disposed of as scrap and junk, or be donated to appropriate charitable or educational agencies.
