

Indoor/Outdoor Full Contact Sports Opt-In Form

Updated 4/22/2021

This form is to be used by a school located in a county designated as High Risk or Extreme Risk to notify of its intent to opt in to offer indoor/outdoor full contact sports for the 2020-21 school year in accordance with the Oregon Health Authority’s Sector Guidance – Indoor Recreation and Indoor Fitness Establishments. Once final, post this form to your school or district website and a link to it will then be sent to ODE.

In Lower Risk and Moderate Risk counties, practices and games for indoor/outdoor contact sports can resume following health and safety guidance to be issued by the Oregon Health Authority.

In High Risk and Extreme Risk counties, where COVID-19 remains more widespread, schools and other sports organizations can opt-in to resuming indoor/outdoor full contact sports with additional protocols in place. In such counties, sports organizations must offer on-site responsive testing for symptomatic individuals and close contacts, contact information for contact tracing, and a waiver identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19. Schools in Extreme and High Risk counties must also have at least limited in-person instruction occurring, with the goal of achieving hybrid or full in-person instruction for students this school year. Schools must also be in compliance with state guidance for COVID-19 testing.

Please fill out the following information for your school, district or program:

Information Needed	Your Response
Name of School, District or Program	Culver High School, Culver School District
Key Contact Person for this Plan	Joshua O. Davis

Email Address of this person	jdavis@culver.k12.or.us
Specify Indoor/Outdoor Full Contact Sports Included in this Plan	Men’s and Women’s basketball Wrestling
Intended Starting Date for this Plan Update	April 26 th , 2021

School Instructional Model

OHA Requirements

- The school must Offer, at a minimum, Comprehensive Distance Learning *with* Limited In-Person Instruction (LIPI), with the goal of implementing Hybrid or full On-Site Instructional Models for students before the end of the 2020-21 school year.
- Detail your school's current instructional model and note the date it began.

Plan Details for School Instructional Model

Please enter the details of your plan that correspond to the requirements listed above:

Culver High School and District started full in-person learning beginning January 19th, 2021. We have had 200 of our 207 students on campus taking classes in a regular school setting. We have created 2 master schedules to continue to accommodate the two 100 person cohorts. We are keeping the 9th and 10th graders together and keeping the 11th and 12th graders together in classes. Students are required to wear their masks and wash their hands regularly.

On-Site Testing for Symptomatic Individuals and Close Contacts

OHA Requirements

- The school must offer on-site responsive testing for symptomatic individuals and those with known exposures to individuals with COVID-19. This applies to athletes and support staff and volunteers. Schools must also be in compliance with state guidance for COVID-19 testing.
- Detail your school's specific plans to meet this requirement.
- Please review [COVID-19 Testing in Oregon's K-12 Schools](#) for additional information.

COVID TESTING IN CULVER SCHOOL DISTRICT

Beginning March 1st Culver School district will be mandated to have COVID testing available in school if we are open outside of the metrics designed by the Oregon Department of Education. The purpose of the test is to provide access to testing to students that wouldn't otherwise have the opportunity and to prevent any further outbreak

This program is intended to test ONLY symptomatic and exposed students and school staff.

The Abbot Binax NOW-COVID-19 Antigen tests are available for students and staff that become symptomatic with COVID symptoms while at school or have been exposed at school, if directed by Local Health Authority. The testing accuracy is 64.2% when a person is experiencing symptoms and 35.8% if experiencing no symptoms. The test is a nasal swab that has to be self-administered with guidance by trained staff. The Abbot Binax Now test is a rapid (15) minute test.

We are required to obtain parent and student consent before we test. If a student or staff test negative and they have symptoms, they will still be required to leave and not return following the Ready School Safe Learners guidelines. Students or staff that become ill at home will not be allowed to come to the school to be tested. They will be referred to their doctor. If a test is positive, it will be reported to the Local Health Authority and will be counted as a positive case for the County.

If you have any questions regarding the test please reach out to Kara Nielsen, Knielsen@culver.k12.or.us

Contact Information for Contact Tracing

OHA Requirements

- The school must commit to collecting contact information for the purpose of contact tracing for each participant, coach, official, staff member, spectator, etc. for each indoor/outdoor contact sports practice and contest.
- Detail your school's specific plans to meet this requirement.
- Sample contact tracing forms:
 - [COVID Monitoring Form: Excel](#)
 - [COVID Monitoring Form: PDF](#)

Plan Details for Contact Information for Contact Tracing

Please enter the details of your plan that correspond to the requirements listed above:

Culver high school/Athletic Director, Shea Little requires coaches to take each athlete and coach's temperature before each meeting, practice, and contest. We have an Athletic COVID contact tracing spreadsheet for the high school that is required for each program to record. This sheet requires coaches to record the following: Temps, OHA Symptoms, and Action taken if

Student-Athlete Waiver

OHA Requirements

- The school must have a waiver completed for each student-athlete prior to indoor/outdoor fullcontact sports participation identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19.
- Waivers must be kept on file at the school. Detail your school's specific plans to meet this requirement.
