NA - Not applicable
1 Deductible waived.
2 Individual deductible and out-of-pocket maximum apply to single coverage only. Family deductible and out-of-pocket maximum apply when two or more individuals are covered on the plan. This plan also includes an embedded per member out-of-pocket max, which is set at the individual OOP amount. Under this plan, deductible must be met before benefits will be paid (except where 1 indicates deductible waived).
3 For Moda plans, OOP max includes medical copayments and coinsurance. Pharmacy copays and coinsurance and ACT copayments will continue accruing towards Maximum Cost Share.
4 Benefit is subject to a reference price limitation.
5 A formulary exception must be approved for non-preferred brand prescription medication.
6 If enrolled in a Moda medical plan, each covered individual must choose a PCP 360 with Moda for that individual to receive the enhanced “coordinated” benefit shown in the far left column under that plan when using a provider in the Connexus network. If an individual has not chosen a PCP 360 with Moda, they will receive the “non-coordinated” benefit shown in the center column if using a provider in the Connexus network. Any services by a provider outside the Connexus network will be paid at the “out-of-network” level (far right column under that plan) regardless of whether or not the individual has chosen a PCP 360 with Moda.
7 For value tier list please visit https://my.kp.org/oebb/plans/ at bottom of page.
8 For Kaiser plans, acupuncture care, spinal manipulation and naturopathic substance only accrue towards your $2000 benefit maximum. For Moda Plans, alternative care services are subject to 12 visits annually.
9 For Moda plans, virtual care (defined as 2-way video conferencing visits) is covered for primary care and urgent care services only.
