Community Eligibility Provision

Dear Parent or Guardian:

We are pleased to inform you that Culver School District will again be implementing the option for the Community Eligibility Provision (CEP) for School Year 2026-2027.

What does this mean for you and your children? Great news for you and your children!

All enrolled students of Culver School District #4, are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2026-2027 school year. No further action is required of you. Your children will be able to participate in these meal programs without having to pay for meals or submit an application.

If your children attend schools that are not participating in CEP, your household may still need to fill out a confidential meal application or pay for meals.

If you have questions, please contact your Food Service Office.

If we can be of any further assistance, please contact us at 541-546-7519.

Sincerely,

Kelli Keiski
