Breakfast After The Bell

August 17, 2026

Dear Parents and Guardians,

To ensure that all of our students are well prepared for academic success, Culver School District is pleased to say that we will continue to implement the Breakfast After The Bell program for the 2026/2027 SY. Breakfast will be available to students arriving to school after the bell has rung.

The School Breakfast Program is FREE for all students every day. We encourage every student to participate to ensure that they have the nutrition needed to succeed in the classroom. These meals meet federal nutrition standards and our staff is working to provide students with a variety of meal options.

For families that have early morning commitments or conflicting schedules, the Breakfast After The Bell program is a great solution to ensure your child starts the day off right—which is why we encourage participation in this program. Upon arrival to school, you or your child will need to let your school secretary or teacher know right away that they will be needing a breakfast.

If you have any questions, comments, or concerns, please do not hesitate to reach out to us at 541-546-7519

Sincerely,
Kelli Keiski
